## 4. Enter Your Information

Enter the information needed to create your new JoinHealth account. This includes your username, password, name, date of birth, email address, and phone number. You will also need to verify your personal information by including either your Member ID (exactly as it appears on your ID card) or the last four digits of the employee's Social Security Number. After completing all fields, click "Register."

The screenshot shows a mobile application interface for account registration. On the left, a photograph shows a man in a grey shirt lying on his back, lifting a young child into the air. On the right, the 'Account Registration' form is displayed. The form includes the following fields: Group Code (pre-filled with 'BBA'), Username, Password, Confirm Password, First Name, Last Name, and Date of Birth. A blue 'Register' button is located at the bottom of the form.

## 5. Access JoinHealth

Congratulations! You can now access your JoinHealth member portal.

The screenshot displays the JoinHealth member portal dashboard. The top left features the 'JoinHealth' logo. The top right has a notification bell icon and the initials 'RA'. A left-hand navigation menu lists: Dashboard, Claims, ID Card, My Benefits, Spend Summary, and Services. The main content area is titled 'Good Morning!' and contains eight interactive tiles: Claims, ID Card, My Benefits, Spend Summary, Services, Cost Estimator, Pharmacy, and Provider Search.
